

## Simulator for EPM-XP

*training device for electronic indicator EPM-XP*

### Application

- demonstration of all functions of EPM-XP without a running engine
- training module for an optimal handling of EPM-XP on 2- and 4-stroke engines
- simulation of different engine conditions

### Scope of supply

Part no.

EPM-XP Simulator unit incl. USB cable

IW-8210

- incl. simulation software and data files for 2- and 4-stroke engines
- Electronic Indicator EPM-XP
  - Firmware: rel. 2.04
  - Visualisation software rel. 1.0.7.2
  - 1 x EPM-XP unit incl. protection cover
  - 1 x HTT cylinder pressure sensor dummy version (1m cable)
  - 2 x Battery 9V E block re-chargeable NiMh
  - 1 x Thompson adaptor W27x1/10"
  - 1 x Indicator connection
  - 2 x USB cable (1 m )
