

## Simulator for EPM-XP

*training device for electronic indicator EPM-XP*

### Application

- demonstration of all functions of EPM-XP without a running engine
- training module for an optimal handling of EPM-XP on 2- and 4-stroke engines
- simulation of different engine conditions

### Scope of supply

### Part no.

EPM-XP Simulator unit incl. USB cable	IW-8210
<ul style="list-style-type: none"><li>• incl. simulation software and data files for 2- and 4-stroke engines</li><li>• Electronic Indicator EPM-XP<ul style="list-style-type: none"><li>- Firmware</li><li>- Visualisation software</li><li>- 1 x EPM-XP unit incl. protection cover</li><li>- 1 x HTT cylinder pressure sensor dummy version (1m cable)</li><li>- 2 x Battery 9V E block re-chargeable NiMh</li><li>- 1 x Thompson adaptor W27x1/10"</li><li>- 1 x Indicator connection</li><li>- 2 x USB cable (1 m )</li></ul></li></ul>
